

Outcomes following Concussion in Hockey

**WHAT DO WE KNOW ABOUT
CONCUSSIONS AND HOCKEY?**

**WHAT CAN WE DO ABOUT
CONCUSSIONS AND HOCKEY?**

The Canadian Brain Injury and Violence Research Team invites you to attend an upcoming half-day conference titled,

“OuCH! OUTCOMES FOLLOWING CONCUSSION IN HOCKEY”

Join current and former hockey players, coaches, scientists, and doctors as they share our understanding of the impact of hockey-related brain injuries.

SATURDAY, SEPTEMBER 17, 2011

The Li Ka Shing Knowledge Institute
St. Michael's Hospital
209 Victoria Street, Toronto

Join us and learn more about:

- What is a brain injury/concussion?
- What do the media say about brain injury in hockey?
- What are the short- and long-term psychiatric effects of brain injury?
- Where do we go from here?

\$10 for General Public
\$20 for Health Professionals

**(Includes breakfast and
morning refreshments)**
